PJR Client Site: Enhancing Access & Streamlining Communication

The [PJR Client Site](#) has been designed to provide certified clients with a comprehensive platform to access vital information, track audit histories, and maintain communication with the PJR team. This resource underscores PJR's commitment to supporting its clients by delivering transparency, accessibility, and convenience.

Key Features of the PJR Client Site

1. Documents

Registered clients gain exclusive access to a curated list of documents available for download. These documents may include audit guidelines, certification details, and other essential resources that assist clients in managing their certification processes effectively.

2. Audits

Clients can view their company's complete audit history and detailed records. This feature provides a clear overview of audits, empowering organizations to stay informed and prepared for future assessments.

3. Contact Information

To facilitate seamless communication, the site provides comprehensive contact details for reaching the PJR team. Whether you have questions or require assistance, this feature ensures that help is only a phone call or email away.

4. My Account

The "My Account" section serves as a personalized dashboard where clients can review their account reference number, company details, and personal contact information. This centralized access simplifies account management and ensures all information is accurate and readily available.

How to Access the PJR Client Site

Accessing the PJR Client Site is straightforward:

- **Initial Activation:** The dedicated contact on your organization's account will be sent an activation link upon release of your electronic certificate.
- **Account Login:** Enter your login credentials in the *Account Login* form located at the bottom of the [main login page](#).
- **Activating E-mail Account:** If you have not previously activated your account, use the Activate E-mail Account form, also available at the bottom of the login page.

Need Assistance?

The PJR Client Site is for clients that have **gone through to certification only** and is not available until certification is achieved. For additional information or support, the PJR Audit Logistics team is ready to assist! Call **1-800-800-7910** for prompt and professional guidance.

The PJR Client Site is a testament to Perry Johnson Registrars, Inc.'s dedication to empowering its clients with user-friendly tools that enhance efficiency and collaboration. By centralizing critical resources and fostering transparent communication, the site is an indispensable asset for certified organizations navigating their certification journey.
